9.14 - Video cameras on board cars

In accordance with article 22.2 of the 2023 General Regulations for the Portuguese Federation (FPAK), competitors wishing to install a video camera on board their race car must have the prior agreement of the Organiser. To do so, they must fill in the "Request for the installation of a video camera on board the race car" form.

It is the responsibility of the Chief Technical Steward of the race/event to check and confirm that the video cameras installed in the vehicles are fitted in accordance with the required safety conditions with regard to the occupant(s). The authorised camera mountings must be fitted to the car at the time of the initial Technical Checks.

(Request form for the installation of a video camera in the car available on the race website)
