- **Black and White Flag divided diagonally:** ~~presented with a black number on a white surface, will mean a warning to the driver considered with a non-sporting behaviour. It will be shown only once.~~ **Displayed motionless together with a panel with a YELLOW number on a BLACK background, it constitutes a warning for unsporting driving, addressed (once only) to the driver of the car wearing the indicated number.**
- **Black Flag:** ~~fixed, presented with black number on a white panel — The driver concerned must stop on his pit at the end of the next lap. If this warning is due to a non-sporting behaviour or any other fault, a 10 minutes (minimum) pit stop penalty will be applied.~~ **Black Flag: Displayed motionless together with a panel with a YELLOW number on a BLACK background, it informs the driver of the car wearing the indicated number. The Stella III equipment displays "BOXE IN" on the screen.**
