8. RUNNING OF THE EVENT

8.1. Nature of the event

The Oeiras Eco Rally Portugal is an Eco Rally that has a combined final classification (regularity + energy performance index), as per Article 3 of the FIA 2026 Sporting Regulations.

8.2. Start, Finish, Results

8.2.1. The start signal for the event will be given Lagoas Park – 13 March 2026

The first car will start at 14h00.

During the overnight stay and after the finish, the cars will remain in the Parc Fermé, which they will enter as soon as they finish a leg.

The starting sequence will be based on the participation number and the cars will start at one minute intervals.

8.2.2. The first leg will be made up of 10 Regularity Stages and no regroupings. The vehicles will be able to recharge at public chargers after the last RS of this leg

The second leg will be made up of 4 Regularity Stages and 1 regrouping. The vehicles will be able to recharge at public chargers after the last RS of this leg.

The third is for exhibition purposes only and does not count for the final classification, will be made up of 2 Regularity Stages, no regroupings, and no charging stop.

8.2.3. During the Technical Checks, after installing the FIA devices on the cars, the car must be moved a few kilometres (8 km minimum, e.g. to the calibration zone) and carry out some procedures in order to verify that the FIA metering devices are working properly. After that run, competitors must return to the Initial Scrutineering to consult the FIA Technical Delegate on whether the metering device is working properly or not. Once released by the FIA Technical Delegate, they will proceed to the Parc Fermé.

9. DRIVERS' MEETING

The briefing to be distributed in writing, in English. Instead of a mandatory in-person briefing, a period will be available with the Clerk of Course, Friday 13/03/2026 from 12h00 – 12h30, where competitors who wish to do so, will be able to ask any questions they may have – Centro Congressos Lagoas Park, Oeiras – Portugal.
