### Location

There is one Service Park for the entire Rally. The Service Park is located at Metalocardoso, Amarante with the coordinates 41° 15.850'N 8° 6.324'W.

Space allocated in the Service Park is limited to the area described in 4.4.2. Occupation of an area superior to the designated allotment will require that the competitor pay 500,00 € (five hundred Euros) for each additional 10m2. No trailer, of any type, is allowed to enter the Service Park and/or Auxiliary Park. Competitors will be allotted servicing areas inside the Park following the 2026 FIA - RRSR. However, the location can be changed at the entrance of the vehicles in Service Park, for reasons of space management. By no later than 11 April 2026, Competitors must inform the Organisers of any possible association, concerning service vehicles and with other Competitors. The lack of this information requires a free location under the criteria of the organisation.

It is mandatory to use a ground floor protection in the Service Park which should cover the entire servicing area of the competition vehicle and should be of an impermeable material. Failure to use this protection will incur a payment of an amount between € 2.500,00 and € 5.000,00 for the organisation to provide this material.

It is forbidden to use any space other than what is delineated for the Service Park in Metalocardoso.

Any doubt regarding the operation of the Service Park should be made by e-mail and addressed to the Organizing Committee by 4 April 2026. All responses will be given until 24:00 hours after its request for clarification.
