It is reminded that for the pre-rally scrutineering, the cars must have their sump guards removed for sealing of gearboxes and differentials and be kept with the car for the purpose of weighting.

All priority driver's cars will be marked and sealed according to the FIA RRSR:

- All cars will have engine block and chassis marked
- All cars equipped with turbocharger and their spares will be marked
- The popoff valves on ALL Rally2 cars will be sealed
- Transmissions and spares of all FIA and ERC priority drivers will be sealed

Approved by FIA on 30 September 2020
